INDIANA HEALTH COVERAGE PROGRAMS    BT202094    AUGUST 25, 2020

## Enrollment requirement change for nursing home transportation providers

Effective April 2, 2020, the Indiana Health Coverage Programs (IHCP) allows nursing home transportation providers to enroll as an IHCP provider. IHCP nursing home transportation providers are classified using the following provider type and specialty codes: Provider type 26 – *Transportation* and provider specialty 268 – *Nursing Home Transportation*.

Effective August 27, 2020, the IHCP no longer requires the Motor Carrier Services (MCS) certificate as part of the nursing home transportation provider enrollment process as long as the provider is transporting only residents of their facility. Nursing home transportation providers will no longer upload an MCS certificate during provider enrollment or revalidation.

See *IHCP Bulletin* [BT202026](#) for additional information about enrolling as a nursing home transportation provider.
